The following properties are going into foreclosure auction during the next few weeks, some as early as the next few days. The majority of these properties are not listed in the MLS and are not on the market publicly. These properties represent some of the best opportunities on the Outer Banks for investment or primary homes. Please contact me for more information regarding auction dates and property details. This list is very fluid and is current as of 5:00 PM, 11/10/08. The prices listed below are estimates that include all taxes and commissions. Many opening bids are not determined until the day of auction. This information is deemed reliable but not guaranteed. Please check this page often for updates.
